MALLEY MAKES ARREST ON TRAIN

R. H. HENRY CHARGED WITH ISSUING CHECKS WITHOUT BANK ACCOUNT.

(Special to the Bonanza.)
GOLDFIELD, April 22.—R. H. Henry of Tonopah, an employee of the Nye County Mercantile Company, was arrested while on the Los Angeles train by Chief of Police Malley of Tonopah, on advice from that city that he was wanted in that place. It is alleged that Mr. Henry had cashed checks to the amount of \$850, which, upon being presented, were returned marked "no funds." A warrant was immediately sworn out and his arrest followed. He will be taken to Tonopah tomorrow.

R. H. Henry is well known in Tonopah and his friends here say that he will be able to straighten matters out upon his arrival today. He is the man who took several shots at a burglar who was in the Nye County Mercantile store one night some months ago.

REPUBLICANS BACK FROM CONVENTION

REPORT CONVENTION ONE OF THE MOST HARMONIOUS EVER HELD.

Hugh H. Brown, L. A. Gibbons and Capt. G. R. Bradley returned from Winnemucca yesterday. They have been in attendance at the Republican State convention held there. They report everything harmonious between the delegates. The vote for Mr. Brown as delegate to the national convention to be held at Chicago was nearly unanimous. Senator Nixon was selected as the sixth delegate to the Chicago convention. The Republican party in the State is in good shape and will wage a vigorous campaign this fall.

SETTLE MUCH DISPUTED BILL

The auto bill incurred by the Grand Jury committee in their recent trip to Manhattan and Round Mountain was settled yesterday. Balliett withdrew his bill of \$200 completely. It is understood that the county commissioners will allow the amount.

FINAL REPORT OF THE GRAND JURY

NO BILL RETURNED IN TWO CRIMINAL CASES—COUNTY AFFAIRS.

The Grand Jury made the following report yesterday afternoon and was discharged for the term:
To the Hon. J. P. O'Brien,

District Judge of the Fifth Judicial District, State of Nevada.
Sir—The Grand Jury duly impaneled in this county submits this partial report of its actions and findings since the last report made in March, and its final report up to date.

CRIMINAL AFFAIRS.
The case of the State vs. C. A. Wasson for perjury was investigated and a "no bill" was returned and the defendant dismissed.

The case of the State vs. Ed. Hanlan for robbery was investigated and a "no bill" was returned.

COUNTY AFFAIRS.
When the present Grand Jury was impaneled it was impossible to secure the attendance of Grand Jurors residing outside of Tonopah. Being without representatives from the other parts of the county, it became necessary to send a committee to Rhyolite, Beatty, Manhattan, Round Mountain and elsewhere in the county, to secure the information necessary for the proper performance of its duties. While the expenses of this committee may seem unusual it must be considered that if these towns were represented on the Grand Jury, the mileage allowed such Grand Jurors would have amounted to more than the expenses of the committee. Since the previous report our committee on public roads and health visited the northern part of the county and met the citizens of Manhattan and Round Mountain in public meetings and secured their co-operation in the investigation which was being made in their vicinity. At Manhattan the main street was found in a deplorable condition. Some provision should be made for grading the street, as during the winter months a large stream of water runs down the street, which is the only drainage in the town. The mines above town also empty the water into the gulches which are drained by the main street.

The road below Manhattan leading to Round Mountain follows the creek bed and in our judgment it would be advisable and certainly less expensive to remove the road onto higher ground and leave the creek bed for drainage purposes, than it would be to make a new channel for the water and tailings which will come down the canyon.
We found the town jail in a neat and clean condition. The lock on the outer door is not safe and should be repaired to prevent the possible escape of prisoners. A lamp should also be furnished as well as a heating stove, the lack of which is a serious detriment to the health of those unfortunate enough to be locked up.
At Round Mountain the various mining companies should be compelled to repair those roads destroyed by their mining operations, and bridges should be built over the flumes through which the mill and hydraulic waters are discharged and which so far have greatly impaired the roads of the camp.
The jail at Round Mountain consists merely of four stone walls, without floor, ceiling or lock, and we believe it advisable to repair the building so as to have a proper place for the detention of prisoners. The needs of the community demand that a paid deputy sheriff should be stationed at Round Mountain.
Bridges should be built where the roads from Manhattan to Cloverdale and San Antonio cross Peavine creek. These crossings are in a dangerous condition, and as these roads are used considerably, especially during winter, the bridges should be constructed immediately.
There is a general lack of sign boards at road crossings throughout the county and to our knowledge, none have been put up by the county for several years. During the last two years a number of important new camps have been opened up, but so far as we have been able to see there are no sign boards which have on them the names of Round Mountain, Manhattan, Silver Bow, Golden Arrow, Bejehele, and a number of others. We believe that the provision of the State statutes requiring the maintenance of suitable signs giving the names and distances to the various camps should be brought to the attention of the proper officers.

CHAS. A. WONACOTT,
Foreman of the Grand Jury.

HIGMAN HELD TO GRAND JURY

CHARGED WITH EMBEZZLEMENT—IS RELEASED ON \$1000 BONDS.

W. E. Higman, Jr., was yesterday bound over to the Grand Jury on the charge of embezzlement, preferred against him by James D. Brackett. Bonds were fixed at \$1000. Immediately after the finish of this case in Judge Brissell's court, Higman was served with another warrant on a misdemeanor charge, which will come up in the justice court today. The charge is that while Higman was secretary of a mining company at Rhyolite, he refused to show the books of the company when requested to do so by one of the stockholders of the company. The complaint is sworn to by J. R. McDonald, who was formerly in business with Higman at Rhyolite.

REPORT DYNAMITE EXPLOSION AT BLAIR

A report reached this office last night from Goldfield that there was a dynamite explosion at Blair, in which one person was killed. It stated that the district attorney, justice of the peace and a deputy sheriff had left for the scene. Owing to the lateness of the hour, the report could not be verified as it was impossible to reach Blair by phone.

LANGDON MARRIES MODESTO WOMAN

MODESTO, Cal., April 22.—Extreme simplicity marked the wedding in this city, at 11:30 o'clock this morning, of District Attorney Langdon of San Francisco and Mrs. Myrtle McHenry of this city. The wedding occurred without the knowledge of any of the Modesto folk save the immediate relatives of the bride and half a dozen of her intimate friends, and the first inkling they had of the wedding was the report, which spread around town after the departure of the groom and his charming and wealthy bride, to the effect that the wedding, which Modesto folk had supposed would be a matter of much pomp and ostentation, was a matter of history.

It is important that all members of the Guild should be present at this meeting.

UNIQUE STUNT AT THE BUTLER

AMATEURS WILL APPEAR IN VARIOUS ROLES AT THE POPULAR PLAYHOUSE.

Something unique will be presented at the Butler theater tonight, when Sam Haas' great and only collection of amateurs will appear. A number who have talent or have been told so, have signified their intention of doing a turn. This will be in addition to the regular show, and the same price of admission will be charged. The amateurs will perform at both performances.

ARRESTS CROOKED SLAV IN GOLDFIELD

(Special to the Bonanza.)
GOLDFIELD, April 22.—Chief Ed Malley of Tonopah landed a Slav here today named Vincent Vincenzio, who is badly wanted in Tonopah on a charge of defrauding creditors. The singular thing about the arrest is that the officers here were looking for the same individual on the same charge.

POPULAR SINGER SPRAINS AN ANKLE

Miss Nora Emmett of the Butler theater, while engaged in the unique sport of snowballing in April, fell yesterday and sprained her ankle, and consequently was unable to appear at the performances at the theater last evening. The injury, while not serious, is decidedly painful. Miss Emmett will appear at the popular playhouse this evening.

A CARD OF THANKS.

I desire to thus publicly express my heartfelt thanks to all those who so kindly gave me assistance in my recent bereavement; also those ladies who so heartily gave their time and efforts in my behalf. I will always carry in my heart a dear thought for the people of Tonopah.

MINSTREL SHOW IS ON THE TAPIS

GOLDFIELD CONTINGENT LIABE TO REPEAT PERFORMANCE IN THIS CITY.

(Special to the Bonanza.)
GOLDFIELD, April 22.—The minstrel show for the benefit of the fire department in this city, participated in by leading citizens and business men of this place, was one of the finest performances ever witnessed on the local stage. Every member acquitted himself as though he were a professional. The costumes were of a ravishing description, the music of a high order and the gags and hits on people in the audience brought forth roars of laughter. The house was taxed to its fullest capacity, many people being turned away. Over \$3000 was netted. George Wingfield paid \$500 for a single box, and had several invited guests. Many Tonopah people came over. Negotiations are now under way to have them appear at the pavilion in Tonopah on the night of Sunday, May 3d, during the Elks-Eagles carnival.

Attend the Butler theater this evening and see your friends among the amateurs.
